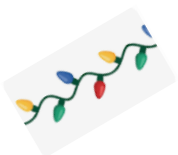
Flitwick Christmas Light Switch On 29/11/2026

If your child would like a chance to switch on the town Christmas lights; please return their entry by **Monday 23rd November in the morning** with a £1 coin taped to the corner. Spare entries are available from the school office.



Children in Need 2026

Thank you for all of your generous donations. We raised a total of **£226.03**!

Guinness World Records

We have some exciting news to share! The Guinness World Records reading attempt that the children took part in back in October has now been officially confirmed as a world record!

The children joined thousands of people around the world to take part in the ‘Take 10 to Read’ challenge, and they can now say they have been part of a Guinness World Record! We are so proud of them all! What a lovely achievement and something they can tell everyone about!

Could You Be Our Next Parent Governor?

Join our Governing Board and make a lasting difference at Kingsmoor Lower School!

We currently have a vacancy for a **Parent Governor** on our Governing Board. As a lower school, these early educational years lay the essential foundation for our children's lives. We are looking for an enthusiastic parent or carer who is passionate about education and wants to help shape the future of our school.

What Does the Role Involve?

School governors work as a team alongside the Headteacher and senior leaders to ensure our school provides the best possible environment and education for every child.

It is a voluntary, strategic role (focusing on the big picture, rather than the day-to-day running of the school). As a Parent Governor, you will:

- **Help set the school's strategy:** Support our vision, long-term goals, and educational standards for our young learners.
- **Act as a "critical friend":** Ask constructive questions and hold school leaders to account for performance, pupil progress, and wellbeing.
- **Oversee financial resources:** Ensure the school budget is spent efficiently for maximum impact on our children.
- **Bring a parental perspective:** Provide valuable insight as a parent (though you act in the best interests of *all* pupils, rather than acting as a spokesperson for individual complaints).

Time commitment: Around 5 to 10 hours per term. This typically includes attending **4-6 blended meetings per year**, 3 face to face, reading papers in advance, and making occasional daytime monitoring visits to the school.

Who We Would Welcome

You do NOT need prior experience in education or governance. Full training, onboarding, and ongoing support are provided free of charge.

Eligibility:

- You must have legal parental responsibility for a child currently registered at Kingsmoor at the time of election.
- You must be 18 or over.
- Candidates will need to complete an enhanced Disclosure and Barring Service (DBS) check upon appointment.

Who we are looking for: We welcome applications from all backgrounds to ensure our board reflects our diverse community. We particularly welcome parents who bring:

- Energy, curiosity, and a willingness to learn and ask questions.
- Specific professional or life skills—such as: Finance, HR, IT, Legal, Premises Management, or Community Engagement.
- A strong commitment to improving outcomes for all children during their crucial lower-school years.

Why Apply?

- Play a key role in shaping your child's educational journey.
- Gain valuable board-level leadership, financial, and strategic skills for your own CV.
- Give back to your local school community in a deeply rewarding way.

How to Apply

If you would like to apply or nominate, please email the school office at schooloffice@kingsmoorschool.co.uk to arrange to collect a **Nomination Form** from the school office or download it from the Governor page on the school website.

- **Closing date for nominations:** Tuesday 1st December 2026 at 3pm.
- **Questions or an informal chat?** Please contact the school office or speak to the Headteacher.

(If we receive more nominations than vacancies, a ballot will be held where all parents can vote).
