

Sports Premium Funding September 2024

Author: J Suffling

Projected Sports Premium Funding Report to Governors Autumn 2024

Sports Premium Grant

2024 - 2025	£17,000	Predicted spend - £17,000	
-------------	---------	------------------------------	--

The purpose of these funds is to extend and enrich the PE and sports opportunities that can be offered in school. The funding is provided in two instalments each year one in the autumn term and one in the spring term. It is part of the Olympic legacy, is government funded and will dovetail into all of our work to encourage healthy lifestyles. At Kingsmoor Lower School the governors and teachers are concerned to ensure that this funding will be spent prudently to achieve maximum and sustainable impact.

The Impact of this Funding to Date

The DfE vision for Primary PE and Sport Premium is that “all pupils leaving primary school will be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport”. To achieve self-sustaining improvement in the quality of PE and sport in our school we need to demonstrate how we are achieving this against the following indicators: -

- The engagement of all pupils in regular physical activity – this will kick start healthy active lifestyles.
- The profile of PE and sport being raised across the whole school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils. •
- Increased participation in competitive sport

PE and Sport Premium Action Plan

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

Intent	Implementation	Allocated funding	Anticipated Impact
To meet national curriculum target of every child leaving key stage 2 able to swim 25m.	Children in year 4 are provided with an extra 6 weeks swimming on top of the swimming funded by the school in year 3.	£1,040	To have 75% of children swimming 25m before they leave year 4
All children will take part in their allocated weekly PE session	-Children will continue to develop their physical health and wellbeing through a range of planned skills-based sessions through the use of Get Set 4 PE	£760	Children continue to receive high quality PE sessions delivered by teachers and teaching staff on a weekly basis. Lessons to be fun, developmental and allow the children to engage in discussing the values that sport encourages, including teamwork, tolerance, perseverance and determination. Children to enjoy PE sessions.

Membership of the Redborne School Sports Partnership	CPD provision for new teaching assistants to increase confidence in delivering high quality physical activity during break times. Upskill a senior play leader to provide coaching for new members. Membership will also provide the opportunity for Year 4 pupils to learn to be Young Sports leaders – they will be trained and will lead activity at break times.	£4020	Membership of the partnership will enable improvements across all indicators due to the range of coverage including CPD, festivals, competitions, transition events, subject leader networking opportunities, sport-specific coaching and teacher and teaching assistant CPD.
Staff to facilitate Stormbreak sessions after lunch 3 x per week for all children.	Staff to be timetabled to take sessions each week. This is to be lead by Sam Riley and supported by Sarah Daniels-Monk and Emily Nock	NIL	Children to commence the afternoon session prepared both mentally and physically to learn. All children will be taking part in additional activities which count towards their 60 minutes per day.

Children will be encouraged to have active break and lunchtimes.	Additional equipment for the children to have the opportunity to regularly use outdoor equipment to develop their overall health and fitness.	£500	Use of large equipment continues to be motivating for the children during their break and wellbeing times, encouraging the children's movement, coordination, strength and agility, whilst allowing various opportunities for collaborative team work developing vital cognitive and social skills, whilst engaging in risk taking and challenge, with opportunities to exceed personal limits
All children to take part in forest school activities to encourage the love of outdoor, physical learning and support mental health and wellbeing	Work with a specialist forest school training practitioner to lead the sessions and for staff CPD	£300 for equipment	All children across the school are able to benefit from the regular outdoor sessions which will foster a love of being active and cross-curricular learning.

Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Intent	Implementation	Allocated funding	Anticipated Impact
Staff to attend wellbeing training/workshop	Staff to attend yoga/well-being workshops.	Nil	The profile of PE to be raised across the school through the use of well-being workshops for staff. This is also intended to enhance staff health and promote an active lifestyle.

Continue to Subscribe to the GetSet4PE programme across school	Staff to continue to familiarise themselves with the GetSet4PE approach and resources available to support teaching.	As above	Staff across school are able to use the programme to enrich their PE sessions, through use of the multi-sensory approach and building on fundamental skills that have been taught in prior years.
Staff to attend the PE conference.	Staff to attend training and choose a selection of workshops.	£180	Staff will have the opportunity to experience a range of sports and activities that may become part of our offer to children at school.
Use the website to promote PE and the achievements of children and staff.	Staff to send in information on success in physical activity both in and out of school of both children and staff.	Nil	Pupils will be motivated to take part in additional extra-curricular activities and to share those achievements with others.
Children to have branded school PE kit when representing the school at festivals.	Purchase new tops and hoodies with school logo for KS1 and KS2 to wear whilst out of school.	£500	Children will have a sense of belonging and pride when they are representing the school.

Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport

Intent	Implementation	Allocated funding	Anticipated Impact
Staff to attend training as provided through the subscription to the Redborne partnership.	Staff to attend training supplied by the Redborne partnership.	Included in RSSP.	Staff across school are offered a range of CDP opportunities to help 'up skill' and inspire their teaching practice.
Staff to attend additional PE and sport training that gives them knowledge of the expectation of each key stage	Staff to take part in sport based training that supports their knowledge in delivering high quality PE	£450	Staff will be able to identify the areas that they feel they need additional support and through the use of expert trainers they will be able to deliver high quality lessons using the planning from Get Set 4 PE

Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Intent	Implementation	Allocated funding	Anticipated Impact
--------	----------------	-------------------	--------------------

Additional Resources for PE Curriculum.	Resources and equipment to be purchased to support teachers in delivering an exciting and engaging curriculum.	£500	The staff and children are able to use a range of fun and exciting equipment to enhance sessions during multi-skills lessons. The open-ended nature of the resources will give scope for more child led creativity in sessions.
Key events to support mental health, wellbeing and physical development.	-Provide 'wow' days for all children to attend throughout the year (Skipping ninja, fun run and talk from a sportsman)	Nil	-Children will be provided with the opportunity to take part in new, fun and exciting sports and activities that support their mental health and wellbeing. These will be supported by the additional opportunities from our Redborne membership.
Cricket taster sessions Yr 1-2	Provide children from yr1- yr2 a cricket taster experience. This will include promotion of additional cricket provided by local cricket club.	Nil	The children are able to learn a new skill and have lots of fun taking part in various cricket themed activities, including lessons and a assembly, provided by expert cricket coach Howard Moxon. Teachers are also able to work alongside Howard in developing the programmes for their classes.
Regular cricket sessions for Yr3 and Yr 4	Children to take part in weekly cricket sessions led by a coach.	Nil – part of a the All Stars promotion.	The children to experience a sport that they may not have played before and to use the skills that they have learnt to develop their own game play and their own versions of the game.
Introduce a regular gardening club so that children can grow some of the food that is then used by the kitchen to prepare their healthy lunches.	Children will get to see the journey of their fruit and vegetables from seed to plate.	£200	The children will take pride in what they have grown and therefore be willing to eat a more healthy and balanced diet.
Introduce movement sessions through music.	Children to have weekly movement sessions alongside their regular PE lessons to encourage those less active children to take part in active learning.	£8590	Children who have anxiety rooted in a physical exercise will have the chance to express themselves in a different way that will promote a lifelong love of physical activity.

Indicator 5: Increased participation in competitive sport

Intent	Implementation	Allocated funding	Anticipated Impact
--------	----------------	-------------------	--------------------

Annual Sports Day	Children to take part in sports day.	£30	Children to feel success in their sporting ability and overall fitness and can see the benefits of an active lifestyle. Children will be grouped with children of a similar physical ability so they have a all children have a chance to succeed whilst in a competitive environment.
Wider community events advertised to children and parents across school	Send out information in regards to local sports festivals and event	NIL	Children and parents have access to information regarding sports events they have access to in the local area, including those organisations helping to deliver programmes in curriculum time (LTFC, Flitwick Crickets club, Ampthill rugby)
Intra-school cricket competition.	KS2 to take part in a cricket competition in the last session of the course.	Nil	Children have the opportunity to take part in a competitive sport event.
Wider community events advertised to children and parents across school.	Send out information in regards to local sports festivals and event.	Nil	All information regarding wider community sport and physical activity events sent to parents via our communication system.

Children across KS1/2 take part in school games competitions.	All children to be given the opportunity to take part in a range of festivals throughout the year aimed at different levels of ability.	Included in RSSP.	All children across KS1/2 to be given many opportunities to take part in a range of events supplied through the Redborne partnership.
