

Friday 16th January 2026

Dear Parents and Carers,

A Positive Start to the Term

We have enjoyed a very settled and purposeful second week back at school, with pupils quickly returning to routines and learning with enthusiasm.

Our KS1 pupils have been out and about this week taking part in their transport walks, using the local area to support their learning. These walks are a valuable opportunity for children to observe different forms of transport, practise road safety skills, and talk about what they see in a real-life context. The children were a credit to the school and represented us beautifully.

Yesterday was Census Day, which we marked with our special prize lunch. It was wonderful to see so many happy faces, and we had lots of winners who are now looking forward to their reward. Thank you to everyone for supporting this important day.

We have also made the decision that next half term we will be inviting all parents into school to look at their children's work and meet with teachers, rather than issuing interim reports this year. We believe this will be a more meaningful opportunity to share progress and celebrate learning together. Invitations will be coming out soon, and we look forward to welcoming you into school.

Finally, we are delighted to welcome new members of staff to our school community. Mrs Brightman and Miss Harris have joined our Midday Supervisor Team, and we are very pleased to welcome Miss Heath and Miss King to our Early Years Team. We are confident they will all be great additions and wish them every success in their new roles.

Thank you to the parents who have successfully applied to use the carpark as you are all now arriving earlier to avoid clashing with our 'rush time'. Can I remind you that you should not be leaving until this rush has died down to avoid driving when our carpark is busy with children and parents walking in and out of the premises please.

Thank you, as always, for your continued support as we move forward into the term.

Mrs C. Jenkins

The session will be delivered online via Microsoft Teams.
A joining link will be sent out closer to the date.

MINI ATHLETICS

Winning the gold medal for children's sports classes

We take what children love to do the most (running super fast, jumping high and throwing far) and mix it with imaginative themes, learning to follow instructions, making friends, developing skills and burning energy!

Mini Athletics offers inclusive, high-energy classes for children aged 2 to 8 years. Join us for fun-filled public sessions every Saturday and Sunday morning across the local area.
