Friday 12th June 2026

Dear Parents / Carers,

This week some of our children were invited to go to Kings Church, to meet with the Senior's Group.

Mrs Nock shared the following with us about their time there;

'We played games together like giant Jenga, Shuffleboard and Connect 4. Some of the ladies showed some amazing old photographs of Flitwick, which included The Mill and The Blackbirds and shared what the town used to be like. Some of the children even read to a group of retired teachers. There were conversations regarding the different generations and the group shared their school experiences including details of what their uniforms were like. The joyful interactions were valuable, meaningful and heartwarming. Kingsmoor pupils were superb, showing wonderful values and excellent manners.'

'Why do we do this? Generational interactions have been proven to benefit both generations; boosting confidence, increasing communication, giving a sense of connection and lifting spirits. This helps reduce loneliness with the mature generation and wisdom to the children. It truly works creating some quite moving interactions'

Thank you to Mrs Nock for organising this event and to our parent volunteer Miss Mitchell for helping as well.

We are now using Arbor to send school communications. If you haven't already done so, please create an account, instructions on how to do this have been sent out via email. Please contact the school office if you have any questions / queries regarding Arbor or the parent app.

We have recently held our annual Grafham Information Session for parents and carers for the 2027 trip in May. Deposits can be paid via ParentPay. Please can deposits be paid by Friday 3rd July.

A 'Save the Date' notice has been sent out for our Summer Celebration which is taking place on Friday 17th July, please keep an eye out for further information in the coming weeks. We are planning to make this bigger and better than ever so please do try to attend.

Wishing you a lovely weekend,

Ms. C. Jenkins

Children's Commissioner's Big Future Survey

As Children's Commissioner, I'm writing to ask for your support in helping children at your school or college take part in my national survey, The Big Future.

Students can take part

here: <http://www.childrenscommissioner.gov.uk/thebigfuture>

As schools and colleges return for the final weeks of the academic year, this is a valuable opportunity for children and young people to reflect on their experiences, share what matters most to them, and tell us about their hopes and ambitions for the future in their own words.

Kingsmoor Football News

On Saturday the 23rd May, Year 2 fielded a team of seven boys at the Ramsey Manor Football tournament being held at Barton Rovers ground where eleven Year 2 teams from the Mid Beds Mini League battled it out in the blistering heat. Kingsmoor had five games in the group stage with some tough opponents in our group. The boys battled through each game achieving wins, losses and draws. The boys finished their group stage in 4th position resulting in a semi final place for the shield trophy. The semi final was victorious for Kingsmoor which saw them into the final.

The final ended a draw at 1 each which resulted in a penalty shootout. The shootout ended with Kingsmoor winning 3-2 and lifting the shield at Barton Rovers ground.

Congratulations to the Kingsmoor Year 2 Team

READ to the BEAT

The Summer Reading Challenge is an annual challenge run jointly by The Reading Agency and public libraries. This year the challenge is **Read to the Beat**, all about being musical and ties in with the National Year of Reading 2026.

It runs **Friday 17th July to Saturday 5th September 2026.**

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about music! Children will be able to find books linked to their favourite creative arts, and access activities at the library.

The Challenge

- Children must be members of the library service. Join the library [here](#) or go to your local library.
- The challenge invites children to read six library books or more during the summer holidays.
- Children can borrow books or read our e-books, magazines and audiobooks available on our BorrowBox and PressReader app. [More about e-resources](#)
- Families can sign up for the challenge at any library, at any stage in the summer from Friday 17th July.
- Children are awarded a certificate and a medal for reading 6 books.
- Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £40 voucher for The Works to buy arts, crafts and books.

Struggle with reading?

We can help!

- For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- The BorrowBox app has special accessibility features, which allow customers to select font, background and font size.
- Picture books aren't just for toddlers! Libraries have collections of older picture books for young readers.
- Get hooked on graphic novels (comic style books).
- Learning to read? Select from beginning to read or short chapter books
- Booklists with lots of ideas available on our Virtual Library [Books and Reading - Children and Teenagers Pages](#)
- Some children (especially boys) prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- Enjoy stories through audiobooks. Free to borrow on CD or download with BorrowBox.

All libraries will have [activities](#) for children available throughout the summer.

All libraries offer a **Treasure Hunt** to children when they complete the reading challenge
