

Friday 18th July 2025

Dear Parents and Carers,

It is always a very mixed time of year for us all as we near the end of the summer term. It is wonderful to celebrate all of the achievements, large and small and to see just how far all of the children have come over the years. But it is also sad to be saying goodbye to our year four children and three of our much loved pupils from different year groups who are moving to different settings. Whilst we feel proud of all of their progress and the very special young people that they are becoming, it is always sad to say goodbye.

Our year fours are excited about moving on and are certainly ready. This means that staff, parents and children have most definitely done our jobs in preparing them for the next chapter in their school career. I wish you all the very best of everything and know that if you keep those values to heart you will continue to shine and prosper in everything that you do. Good luck and remember to say hello when you see us!

We have ended the year with a fun, birthday celebration on the field. We had to abandon our picnic outside due to a sudden swarm of wasps but the children and staff had a lovely time eating their picnic lunch on mats in the hall and in the early years area.

The events for the afternoon are just a small celebration that is meant to be a happy birthday themed end to such a successful year following our Ofsted inspection in January and so many more wonderful achievements. It was a great success and we would love to do the same thing again next year as an end of year celebration - so save the date!

Thank you to all of our amazing, dedicated staff, governors and PTA, to our wonderful children that make us feel so proud everyday and to all of you for your continued support, generosity and kindness - you are all very much appreciated!

Wishing you all a very happy and relaxing break with your family.

Mrs C. Jenkins
