Friday 23rd May 2025

Dear Parents and Carers,

As we approach the end of another busy and exciting half term, we're delighted to share some of the wonderful experiences and achievements that have taken place across the school.

Year 4 Cricket Festival – A Huge Hit!

Our Year 4 pupils took part in an inter-school cricket festival and did us proud! Their teamwork, enthusiasm and sportsmanship were outstanding and resulted in their overall win! A big well done to everyone who took part – we're so proud of your achievements on and off the pitch!

KS2 Residential & Park Fun

Our Key Stage 2 children had an unforgettable time on their residential adventure! From hiking to team-building challenges and a whole lot of laughter in between, it was a joy to see the children growing in confidence and independence. And for those back at school, the park fun days were packed with games, sunshine, and smiles!

Spring Disco

The Spring Disco was a roaring success! Children danced the evening away, enjoyed the craft (not so quiet room), and had a fantastic time celebrating the term's end with their friends. A big thank you to all the staff, PTA and volunteers who helped make it happen.

A Huge Thanks to Leonie Turner

It is with mixed emotions that we say goodbye to our wonderful PTA Chair, Leonie Turner, who will be stepping down from this role at the end of the year. Over the past few years, Leonie has been the driving force behind countless events and initiatives, helping to raise over £8,000 for the school. Her dedication, warmth, and tireless energy will be greatly missed by all of us. From the whole school community: Thank you, Leonie!

PTA are very keen to recruit more volunteers without whom they are not able to raise the much needed funds for our children. If you could spare any time at all, please contact them via their Facebook page or email the school office.

We wish all our families a restful and enjoyable break. We look forward to welcoming the children back refreshed and ready for our very busy final half term.

Warm regards,
Mrs C. Jenkins

Story Garden – Summer Reading Challenge 2025

The Summer Reading Challenge is an annual challenge run jointly by The Reading Agency and public libraries. This year's Challenge is called **Story Garden – Adventures in Nature and the Great Outdoors**. This exciting new theme will inspire children to tap into a world of imagination through reading, exploring the magical connection between storytelling and nature.

The challenge will run from **Friday 18th July until Saturday 6th September**.

Children are encouraged to read whatever they choose for the challenge, recognising the importance of reading for pleasure in increasing empathy and improving well-being, as well as in children's educational success. The theme this year is all about nature and the Great Outdoors. From planting seeds, encouraging outdoor play, and exploring wildlife - children will be able to find books linked to all of these wonderful themes and more.

The Challenge:

- Children must be members of the library service. Join the library [here](#) or go to your local library.
- The challenge invites children to read any six library books or more during the summer holidays.
- Children can borrow books or read e-books, magazines and audiobooks available on our Libby and BorrowBox apps. [More about e-resources](#).
- Families can sign up for the challenge at any library, at any stage in the summer, from Friday 18th July.
- Children are awarded a certificate and a medal for reading 6 books; there are also some other prizes to collect along the way!
- Children completing the challenge (6 books) will be entered into a lucky dip at their library for the chance to win a £50 voucher for The Works, to buy arts, crafts and books.

Struggle with reading?

We can help!

- For dyslexia, we have collections of shorter books, with special fonts and paper – and great stories.
- The Libby app has special accessibility features, which allow customers to select font, background and font size, we also have children's large print books available in some of our libraries.
- Picture books aren't just for toddlers! Libraries have collections of [older picture books](#) for young readers.
- Get hooked on [graphic novels](#) (comic style books). Learning to read?
- Select from beginning to read (green spots) or short chapter books (red spots).
- Booklists with lots of ideas available on our Virtual Library [Books and Reading - Children and Teenagers Pages](#).
- Some children prefer non-fiction. Dinosaurs, transport and space are particularly popular.
- Enjoy stories through audiobooks. Free to borrow on CD or download with Libby or BorrowBox apps.
