

Friday 19th July 2024

Dear Parents and Carers,

As we approach the end of another wonderful school year, we reflect on the accomplishments, challenges, and memorable moments we have shared. It is with mixed emotions that we say goodbye to some cherished members of our school community and celebrate the exciting new chapters ahead for our Year Four pupils.

Farewell to Our Year Four Pupils

To our Year Four pupils, you have grown in so many ways during your time with us. Your curiosity, creativity, and kindness have left an indelible mark on our school. As you transition to middle school, we are confident that you will continue to excel and make us proud. Remember to embrace new experiences, make new friends, and always believe in yourselves. Your journey is just beginning, and we are excited to see all the wonderful things you will achieve with your Values guiding you through this next chapter. Goodbye to some of our parents too who will be leaving with their last child coming through Kingsmoor. I have got to know you all particularly well as I have a son in this year group as well and am finding goodbye is going to be even more difficult this time due to this. Thank you for your support and generosity of time over the years supporting Kingsmoor with football and PTA events, you will leave us with lots of memories.

A Heartfelt Goodbye to Departing Staff

It is also time to bid farewell to some valued members of our staff who will be moving on to new opportunities. Their dedication, hard work, and passion for teaching have greatly enriched our school community.

Miss Mitchell, our beloved key stage two teacher, will be leaving after 37 years of inspiring young minds. Her commitment to nurturing and educating our students has been extraordinary. We wish her a joyful and fulfilling very long summer holiday!

Mr. Colin Ruddick, our dynamic PE teacher, is also going to take a well deserved break. His energy and enthusiasm for physical education have encouraged countless students to develop a love for sports and healthy living. We know he will continue to inspire wherever he goes.

Miss Dunbar, our amazing member of staff who never said no to a new challenge, will be pursuing her teaching career now that she is a fully qualified teacher. Well done and good luck in your new school, they are very lucky.

Celebrating Our Achievements

Despite the challenges we, along with other schools nationally have faced this year, our school has thrived in many areas:

Academic Excellence: Our students have shown remarkable progress this year, with many achieving higher scores than previous years and we are above national average in our Phonics scores in year one and two along with other achievements

which we will publish once they have been confirmed by the local authority.

Extracurricular Success: From sports to arts, our pupils have participated in and won numerous competitions, showcasing their diverse talents.

Community Engagement: We have strengthened our bonds with the local community through various events and initiatives, fostering a spirit of collaboration and support. We would really like to develop this further so if you have any ideas/suggestions please do not hesitate to speak to me directly on the gate, call or email.

Looking Forward

As we prepare for the new school year, we are excited about the changes and improvements we have planned. We will continue to focus on providing a safe, supportive, and stimulating environment for all our students. We thank you, our parents and guardians, for your unwavering support and partnership. Your involvement in our school community is invaluable, and together, we can ensure that our children receive the best education possible. Wishing you all a restful and enjoyable summer break. We look forward to welcoming you back in the new school year with renewed energy and enthusiasm.

Warmest regards,

Mrs. C. Jenkins

WHY LEARN A LANGUAGE NOW?
Children learn quickly at Primary school age.
Learning a second language gives them a head start
and enhances their overall mental development.
Children develop language skills that lay the foundation
for future language learning, whatever language they study.

DEVELOP YOUR CHILD'S POTENTIAL

Performing Arts

Help Us Amplify Our Students' Voices and Illuminate Their Talents

Our school hall has always been the heart of our community, where our students' talents shine and memories are made. From vibrant school plays to inspiring assemblies and memorable concerts, it's a place where young voices are heard and creativity blossoms.

However, our sound and visual system is in dire need of an upgrade. Imagine our school productions with crystal-clear sound and dazzling visuals, bringing every performance to life in the way our students deserve. To make this dream a reality, we need your help.

We thank you all for your continued support.
