

Kingsmoor Lower School

schooloffice@kingsmoorschool.co.uk

Friday 8th September 2023

Dear Parents and Carers,

I hope that you have all had a lovely summer with your families. Children have returned refreshed and very excited about their new topics and year groups!

The weather has been lovely, but we have had to limit running around and being outside at lunchtimes as it has just been too hot. Thank you for sending your children in appropriate clothing for the weather. Can I please remind you that they should only have water in their water bottles.

You may have noticed some changes that have happened over the break around the school. The 'small playground' has been resurfaced as the tree roots were lifting the rather old carpet that was there previously. The main reception has been decorated. We have taken photographs of the boards which are going to be added to an album to display. We are also planning some art work to showcase our children's talents! We also have a trim trail being installed in the early years outdoor area next week which will give children the opportunity to explore and be challenged to further develop their gross motor skills.

Some other changes are to staff roles. Miss Dunbar is now starting her teacher training year in Owl Class. Miss Helliwell will be supporting me to continue the excellent work that Miss Dunbar achieved in Special Educational Needs last year, Mrs Nock is now our Pastoral Support Worker and Miss Riley is now our Senior Midday Supervisor and Medical Needs Lead. If you would like to know any more regarding this or would like to get in touch with a query our details are below. I would like to take this opportunity to thank Miss Dunbar for the incredible job she did with so many hats on last year! She is still in the background to support staff with the transition into their new roles and you will continue to see her around school in her new role.

With very best wishes,

Mrs C. Jenkins

If your child is in Preschool or Year 3 and 4 and you would like for your them to have a school dinner, please can you book and pay for the meals in advance. This can be done via Weduc Payments, under the 'bookings' tab.

Pupils who are entitled to Free School Meals do not need to book a meal.

Many thanks

PE Days

Rabbits: Wednesday
Red Kites: Wednesday
Honeybees: Tuesday & Wednesday
Owls & Robins: Thursday & Friday

Honeybees – Forest School

Pupils in Honeybees will be taking part in Forest School from next week.

The class will be split into groups, a letter has been sent out confirming which group your child will be in.

Please contact the school office if you have not received this.

Please log on to Weduc Payments to give consent for you child to take part.
