

Friday 20th October 2023

Dear Parents and Carers,

October has now well and truly arrived so please ensure that your children come to school with appropriate clothing for the wet and windy weather please. We will ensure that they go outside with their coats on and done up!

Thank you to everyone that came in after school yesterday to support the second hand book sale; it raised £34 so far to go towards our Eco Award.

We have hosted several open days for prospective parents over the last two weeks. The uptake for these has been high and all parents and children shown around were very positive. We have more tours next half term.

We have a lot of exciting events coming up next half term, including an autumn disco, our Christmas shows and a Christmas Fayre with a difference this year (there may be some naughty elves involved!) so please keep an eye out for updates as all of the money raised at these events will come back to the school and benefit your children.

We also have an anti-bullying workshop on the 17th November 'Make a Noise About Bullying' which our wonderful PTA have funded for us as part of anti-bullying week. This was a huge success last year with children having fun but also a much greater understanding of what bullying is and what they should do if they or someone they know is experiencing this.

We have also enjoyed our prize lunch winner experiences today. Top Table, non-uniform and of course our very good headteacher for the day Freddie!

We look forward to seeing everyone back to school on Tuesday 31st October.

Wishing you a very relaxing half term,

Mrs C. Jenkins
