

Kingsmoor Lower School

schooloffice@kingsmoorschool.co.uk

Friday 8th March 2024

Dear Parents and Carers,

We have settled back into the second half of the term with children happy and motivated, as always to learn. I feel very proud of our school and the partnership we have established, which allows such a positive attitude to learning. This isn't easy for all schools and we should celebrate the relationship between parents and school which enables our children to thrive!

An area that everyone needs to work on is reading. Children's reading has declined across the school. We are seeing that more and more children are not being heard read at all at home. The best way for children to improve their reading ability is practice. Please ensure that you are hearing your child read at home as regularly as possible, if they are struggling they should read everyday for just a few minutes.

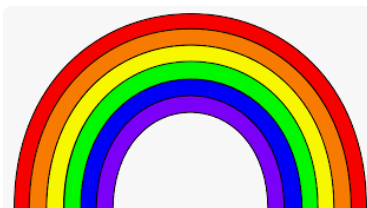

A big thank you to our PTA and to you all for supporting their fundraising events which have most recently funded curtains in the hall. These will impact every assembly and all of our discos amongst other events. With funding declining in education, paying for new curtains has become a luxury that small schools like us simply can't justify, so thank you again!

Thank you again to everyone who is parking thoughtfully now or even better, choosing to walk. However, I am still seeing cars parked on the grass verge. Please refrain from doing this and other dangerous parking and manoeuvres, these put all of our children at risk.

From next term our Year 4s have the opportunity to walk to and from school independently. Everyone must be aware of this and I ask everyone to park away from Kingsmoor Close completely to keep everyone safe.

Have a lovely weekend,

Mrs. C. Jenkins

Diary Dates

8th March – Book Sale in Hall and PTA Cupcake Sale
