

Friday 16th February 2024

Dear Parents and Carers,

Thank you to all of the parents that came in to support their child for the Impact sessions that took place this week in year one and year two. There was a great turnout and the benefit to your children will be worth it. Speaking to parents in the year one session with Mrs Peters, many were impressed with how much their child already knows! Thank you to Mrs Peters and Mrs Briggs for leading these sessions.

I would also like to say a huge thank you to Miss Riley and our ecoteam for braving the weather last week to plant some trees. It was quite an experience which culminated in several of them getting stuck in the mud! Thank you to parent helpers as well, who I understand had a blast! As a result of this event and all of the other amazing events organised to date we received the Woodlands Trust Gold Award. Well done all!

Year one and two children were very lucky to have the planetarium visit yesterday. Not only was it a 'fabulous finish' to their space topic; it inspired some super recount writing from them all as well.

We are currently experiencing a number of school absences due to illness. If your child is absent from school, please contact the school office (a message can be left on the absence line). **Please can we ask that messages are not left with staff members at the classroom doors or on 'Class Dojo'.** Staff members may not always be able to leave the classroom to pass an absence message on to the office in time for when the registers close.

We will be offering a school meal trial option from next half term. Children will be able to take a small pot at lunchtime of a meal that they would like to try. Any child is welcome to do this whether they are school dinners or packed lunch. We are finding that once children try the menu, that they do really like it. We will of course monitor this option to ensure allergies and intolerances are taken into account.

Some of you eagle eyed parents may have noticed new signage as you enter the school grounds today. We have displayed a 5mph speed limit sign to the left of our school gates. This was 10 mph and that speed was being reached by some delivery vans and our main refuse collection! Obviously this is not safe and as a result we have changed this. Of course no-one should be using the car park without prior permission; this is to keep everyone safe so please do respect this request.

I would like to say thank you to everyone who were parking on the grass verge of Kingsmoor Close but have recently stopped. As I am sure you have noticed, the grass has been torn up and as a parent commented to me recently 'it doesn't give the best impression of us as parents and citizens'. I fully appreciate the stresses of morning drop offs but this small change to your routine could very well save a child's life.

Wishing you all a relaxing half term.
Mrs. C. Jenkins

Diary Dates

19th Feb – Half Term

26th Feb – Return to School

11th March – Viking Workshop – KS2

15th April – History Man – KS2

16th April – Bikeability – Year 4

27th March- Grafham Information Meeting – 3pm and 5.30pm

15.02.24
Planetarium ~~at~~ Vist

I took my shoes off then I sat down with my friends. First I was told to get into a line. Then I was ready to start.

Next I walked in followed by Dexter. I learned that the days of the Earth is facing facing the sun. Also it is night when the planet of Earth is facing our moon. And years somehow on Earth are 365 days ~~years~~ ~~seven~~ and 12 months. Earth is the only planet with oxygen.

I took my friends hands and flew through space as we went about the sun. We went through every planet as we learned.

Every day we see the moon so how what I did is learning about the "Moon landing". Neil Armstrong, Buzz Aldrin and Michael Collins went on Apollo 11. They set off ~~on~~ across the moon. Neil and Buzz went on the moon. Buzz accidentally flicked the on and off switch off as he got out.

Then I learned about constellations like Orion and Andromeda.

Finally I came out I put my shoes on and then was that was it! ✓ Great recount Ava!

Red Nose Day 2024.

Friday 15th March

This year The School Council have decided they would like to do two things.

Hold a Kingsmoor's Got Talent Show – auditions to be held in each class during the week beginning 11th March.

Two acts from each class will go through to the final on Friday 15th March.

GET PRACTISING! WE CAN'T WAIT TO SEE YOUR TALENTS!

Non- uniform day, wear red or shades of red for the day.

£1 donations gratefully received.

Reading at Home Sticker Totals

Well done everyone who has been reading at home.

This weeks sticker totals are as follows:

	Target each week	Sticker Total
Rabbits	X4	6
Red Kites	X4	6
Honeybees	X4	10
Owls	X3	8
Robins	X3	11

Edward Bear....

Edward Bear is given to the class that has the best attendance each week!
This weeks winners are **HONEYBEES!!!!**

Safer Internet Day 2024

Tuesday 6th February was Safer Internet Day.

In aid of this we had a special assembly to discuss how we could keep safe online.

The Safer Internet Day poem

Going online can be so much fun,
You can play, and chat, and find out.
But when things change and you feel unsure,
Then that's when it's time to shout...
"Something has changed, and I need some help,
What's happening doesn't feel good."
Things will get better when a trusted adult knows,
And your feelings have been understood.

ECO Gold Award!

Well done to Miss Riley and the Eco Team for helping us to achieve the Gold award!

The Graduated Approach

Better understand the SEND process in Central Bedfordshire

Book your place
Online 14/02/24 9:30 am - 10:30 am

Central Bedfordshire Council and SNAP PCF have worked together to co-produce new training and a guide for parents/carers to better understand how parents/schools and external agencies should work together, to ensure a programme of early intervention is delivered to support children and young people in Central Bedfordshire.

Join us with a coffee and find out what this means for your child and have your questions answered at our free online event.

PLEASE NOTE CHANGE: THIS IS NOW ONLINE ONLY:

Online

ONLINE 14TH FEBRUARY AT 9.30 AM TO 10.30AM

Please email stating, 'The Graduated Approach' 14/02/24 online, with your name to:
admin@snappcf.org.uk

You will need to be a member of SNAP PCF which is free and quick to join.

Please look at our website www.snappcf.org.uk and our social media www.facebook.com/snappcf.org.uk

- Understand how schools provide High Quality Teaching?
- Communication and Interaction
- Cognition and Learning
- Understand the four broad areas of need
- Social, Emotional and Mental Health
- Sensory and/or Physical Needs
- What SEND is, as defined by law
- Understand what SEND Support means
- Find out what a SEND Support Plan looks like
- Understand how SMART Targets can help your child
- When should an Education Health Care Needs Assessment be applied for?
