

Friday 3rd May 2024

Dear Parents and Carers,

It has been a very quiet end to the week here at school with many of our key stage 2 pupils away at the Grafham residential. They have had such fun and I'm sure they will be worn out by the time they get home later this afternoon.

The key stage 2 children who are in school have also had fun taking part in activities such as baking, art s & crafts and trips to the park. They also have a picnic arranged for this afternoon, although looking at the weather forecast for this afternoon, this may be an 'indoor' picnic!

I am petitioning for a pedestrian crossing to be installed on Easton Road, to make the road safer for our pupils coming to and from school. I have flagged this on the Local Transport Plan consultation, which is live until the end of June: [Have Your Say Today - CBC Local Transport Plan - Commonplace](#)

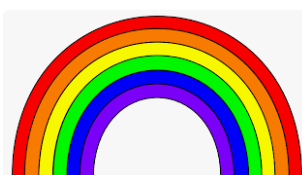

There is a facility for parents / carers to 'like' the pin and to add your comments in the same place. The more comments we have agreeing to this the more likely that the plans will go ahead.

Please click the link above and comment on the 'pin' on Easton Road, requesting a crossing for families of Kingsmoor Lower School.

Have a lovely bank holiday weekend!

Best wishes

Mrs. C. Jenkins
